AcquireTM Express Designed For Small & Mid-Size Organizations

AcquireTM Express is the ideal solution for growing companies that are on a tight budget. **AcquireTM Express** offers a simple easy-to-use applicant tracking system that includes all of the tools companies need to do away with paper process. **AcquireTM Express** combines an integrated Career Center and applicant tracking system and offers it with an intuitive, simple to use interface.

AcquireTM Express puts you at the center of the applicant tracking and hiring process. Easily post positions out to the Web, view and track applicants as they apply to your available positions. Submit qualified candidates to hiring managers for interview. You can do all this with a few simple clicks of the mouse

Whether you are an HR department of one, or many, **AcquireTM Express** makes the job of applicant tracking quick and simple.

Best of all, there's no need to worry about outgrowing your system. **AcquireTM Express** can grow as you grow. **AcquireTM Express** is fully integrated with the Professional and Enterprise edition of **AcquireTM**. This means that as your HR practices evolve and you require more, like employee on-boarding or a complete Talent Acquisition Platform you can have it. No need to change or learn unfamiliar systems, no need to transfer data or get IT involved, it's as easy as flipping a switch.

Finding and tracking applicants during the hiring process doesn't have to be a manually intensive undertaking.
